That sounds good. I recall that it was difficult to reach someone there. I would prefer the October 19<sup>th</sup> date, if that is available. That gives us a little more breathing room.

I have no idea if we still have a library.

I am trying to contact the Mueller Venue to schedule the event. I am going to try to call them again to schedule this for one of those dates in OCT. I haven't got a reply via email. I will call them today to see if I can reserve the event early.

Hi Omar,

In case you do not have it, I have attached the PN from our last public comment period. We still need to fill in the dates for

1. the end of the comment period
2. the public hearing and
3. the actual issuance date.

We are having only one public hearing this time on a Saturday, either October 5, 12 or 19 in Hot Springs. Do you know if our library is still available to have a hard copy of the documents there for public review? Thanks!

**Subject:** PN for DB Permits

Hi Omar: As we discussed, please take the lead on the PR for PN publication through Adele with Valois's support. She has the list of local media sources for publication and will be able to provide you a draft PN (with some specifics still TBD) to get cost estimates. We will need to have the paperwork to Adele by 8/5 with the final details on the hearing date and location and comment period (45+ days).

Thanks!
